a letter from the chair

Dear Friend,

May I take a moment to introduce you to **club church**...a power packed, once a month Sunday evening with the **soul** purpose of sharing the love of God with anyone and everyone. We want to give you an opportunity to come alongside in partnering with us in sharing this life changing message.

Kingston, as the first capital of Upper and Lower Canada from 1841-1843, according to God's word, has always been in the eye of God. The proclamation announcing Confederation was read on July 1, 1867 in the Market Square in Kingston, forming the Dominion of Canada. Kingston has been first in Canada for many things over the years including now being the location for the first **club church** in Ontario, Canada.

In speaking with many Business Leaders, Church Leaders from Catholic to Protestant, and Youth workers on many levels, we clearly believe that we are in a time of transition, when we are watching the collapse of the world as we have known it... the value systems and the shapes of knowledge through which life has been controlled are changing rapidly, with technology and social media leading the way.

However, having said that, I believe that **club church** wants to do something unique and different in our great city, and in the greater Kingston area. Now is the time for **club church**...

Phase 1 is an event that promotes the encouragement of youth and young at heart of the city through building self-esteem. We use music media, and the arts to inspire the minds of our city to reach out and find love for themselves, their families, and their neighbors.

Phase II inspires and create ways for our teens/ University students/ young professionals in our city to take care of, and enrich the lives and meet the needs of the poor/ the widowed/ single mothers/the fatherless/ elderly, just to name a few in our community that need our love and care.

With a multi-phase action plan, we are planning to make an impact in our city in multiple veins of life. **club church** is coming to Kingston with the purpose of drawing us together as human beings with a plan to create actions of Love in our City.

Matthew 25:34-36 Then the king will say to those at his right hand, "Come, you that are blessed by my Father, inherit the kingdom prepared for you from the foundation of the world; for I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me, I was naked and you gave me clothing, I was sick and you took care of me, I was in prison and you visited me

Carpe Diem!

unity bringing congregations together to reach our city with a unified purpose

evangelism club church outreach programs include a wide variety of neighbourhood efforts, university outreach and support

spiritual growth devotional evangelism programs provide the needed experience that will reinforce the personal growth that will enable Christians to reach out and lead many to faith in Christ.

renewal to come along side the local church and spark the church with a new zeal and encourage the local Pastor

lives changed a desire to restore broken hearts and lives. Revive Christians to reach out and make a difference in our community.

club church desires to be the hands and feet of JESUS to our community

love one another

phase I

We desire to bring all Catholics and Protestants together for one goal. Reaching people for Jesus! This is an all age event at Stages Nightclub. The driving force of the evening is Christian professional worship/multimedia presentation of the gospel. (our target age is 18-55) **club church** allows for a unified Body of **Christ Centered** lives with the intention of reaching the dark areas of Kingston, youth, university and young professionals. We are **not just building a bridge** to non believers; we are **crossing it** with the purpose of showing Jesus' **love through actions** which brings us to:

phase II

club church will organize city- wide outreach ministries that any believer can jump into and take part in showing our city **love**. By having as many church and businesses and people that want to love others, without receiving something in return, we can be used by God to change our city.
